## Marching Legends Continue Show Preparations

The Marching Legends continue to work hard as they prepare for the 2019 contest season. Their contest selections will include *Black is the Color of My True Love's Hair*, *Paint It Black*, *Colors of the Wind*, and *A Whiter Shade of Pale*. The overall theme will explore the changes in the color of light from black (the absence of color) to white (the presence of all colors).

Now that school has started, it is important for each member to be properly prepared for every rehearsal. It is very important **EVERY** student is at **EVERY** practice. The show is changing quickly, with new drill, music, and choreography being added by Mr. King, Mr. Farr, and the staff daily. While we know every student has their own sense of fashion, it is important they are properly dressed for each rehearsal. During these warmer weeks, students should dress light in free-moving clothing for rehearsal. It is also important that students are eating a balanced diet, drinking plenty of fluids and getting enough sleep at night.
