## All Aboard the North Side Express!

The Marching Legends are happy to present their 2023 show, "North Side Express." The show will feature the sights and sounds of locomotive trains. The opening movement will feature snippets from Robert W. Smith's symphonic piece, *The Great Locomotive Chase*, followed by *Trains*, a jazz composition made popular by trumpeter Eric Miyashiro. The next movement will feature our talented soloists Russo Johnstone and Moses Colin on James Arthur's poignant song *Trainwreck*. After a brief transition based on Eric Whitacre's *Ghost Train*, the program will conclude with the foot-tapping classic *Take The "A" Train*, the signature tune of the Duke Ellington Orchestra.

The staff and students have been working very hard preparing this show. We hope you will enjoy it!
